Danish owned dogs must be registered in the DKK. Foreign owned dogs must be registered in an organisation recognised by the FCI.  
Tail docked dogs born after 1 June 1996 cannot be shown.  
Further information appears from the DKK show regulations.

### Veterinary rules

The dog must be vaccinated against distemper and parvo virus. Foreign dogs must also be vaccinated against rabies according to Danish legislation. Documentation for vaccination must be brought to the show. The dogs that are shown must be in good mental and physical health condition and not show any signs of illness. Moreover, we refer to the DKK show regulations. If a dog has caught a defect, which can be certified by a veterinary certificate, the veterinary certificate must be brought to the show. The exhibitor pays for any treatment undertaken by the show veterinarian. The treatment must, however, have been approved in advance by the exhibitor.
