very pretty head and expression, very nice front, deep chest,
nicely angled rear with a good topline, overall a very balanced puppy
her movement is a littelbit lose, witch can be expected at her age
very promising

very pretty head and expression, good neck, good topline, her shoulders are set slightly high for my preference, good croup tailset and rear angles, good rear movement, although she is showing her front legs today, which I believe, is due to her happy attitude, very nice temperament

very feminine bitch, with good head and expression, good shoulder angulation, but somewhat near in the front the topline, could crouch and tailset, slightly less angled in rear, witch can throw off her topline, giving the appearance that she is high in the rear. nice movement
today she gives me the impression that she is unhappy witch throws off her overall outline. today i live to give her a VG because of this attitude.
